Dear Professor Wijs,

As the Chairman of the habilitation committee for RNDr. Jiří Filipovič, Ph.D., I would like to ask you for a review of the habilitation thesis "Software Performance Optimization in Scientific Computing", submitted to the Faculty of Informatics, Masaryk University.

We would highly appreciate if you could complete your expert review before the end of March 2024.

An electronic copy of the thesis is enclosed, together with a file of the evaluation form. Your review will be available to the public on the faculty web site <https://www.muni.cz/en/people/72898-jiri-filipovic/qualifications>.

The habilitation committee members are prof. Zezula (chairman), prof. Černá, doc. Jaroš, doc. Vašíček a Prof. Bombieri. The committee is expected to finish the report in April 2024. The final decision will be made by the Faculty Scientific Board. You are invited to participate in the session of the Board, though your personal presence is not strictly necessary. Reimbursement conditions are specified in the contract.

Your review will be remunerated by the sum of 240 Euro, provided you send us the review with the Contract and the Tax Questionnaire (all please as hardcopy and signed).

Thank you very much for your help.

Yours sincerely,

Pavel Zezula  
 Habilitation Committee Chairman
